

COLLEGE IS *NOT* THE 13TH GRADE

OBJECTIVES:

1. Participants will understand critical time frames for getting students prepared to succeed in college.
2. Participants will gain knowledge about the most important skills a student needs to possess to succeed in college.
3. Participants will learn how parent and student roles change when a student enters college.

FACT:

Students prepared for the differences in high school and college have a much better chance of success.

.

IMPORTANT TIMELINES!

Last years of high school

First semester in college

Summer before entering college

TRUE/FALSE

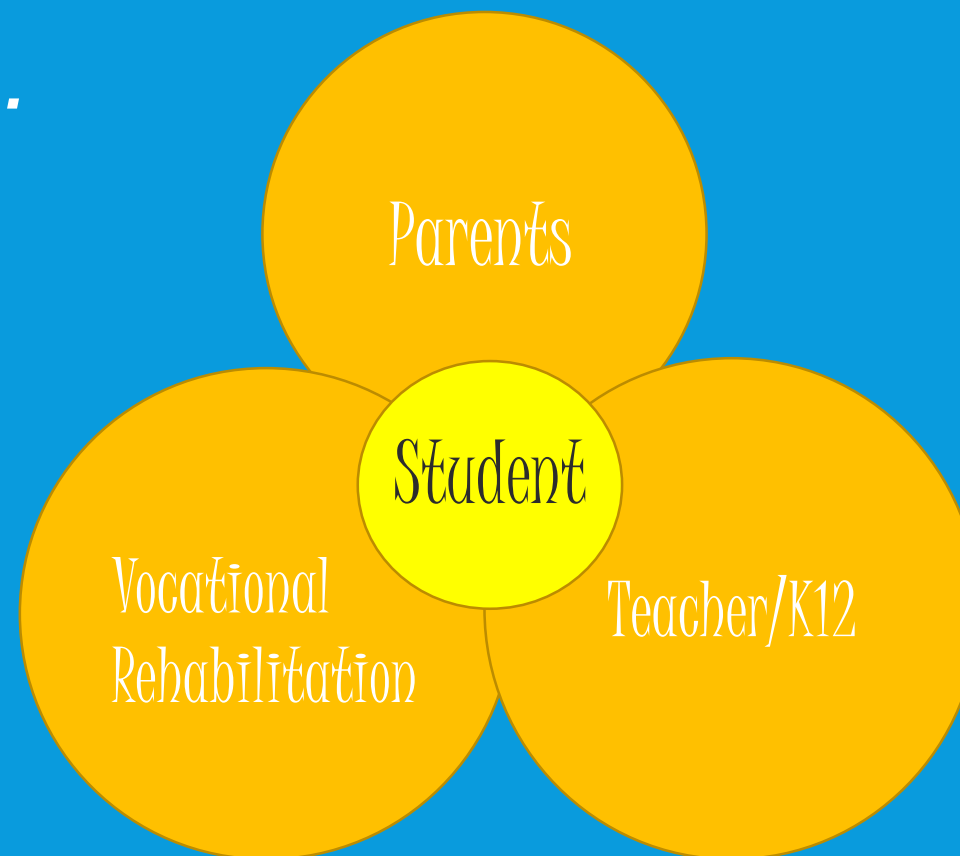

The word "Quiz" is written in a playful, rounded font. The letters are white with a thick green outline. The letters are suspended by two thin grey strings from above. The logo is set against a white background with a subtle reflection below it.

Quiz

The IEP/504 Plan transfers to college?
